- The right of withdrawal and erasure does not affect the lawfulness of processing carried out on the basis of consent prior to its withdrawal.

8. Rights of the Data Subject in relation to the processing of their personal data

- Receive transparent information about the processing of your data.
- Receive feedback on the ongoing processing and receive the information contained in the transparent information.
- Correct inaccurate personal data concerning him or her or complete incomplete personal data.
- Personal data relating to him or her should be deleted.
- At your request, the Data Controller shall limit the processing.
- Receive your personal data in an appropriate format and transfer it to another controller forward it to.

9. Deletion of personal data

The personal data will be deleted without the cooperation of the Data Subject within the time limit set out in point 8.

Technologically advanced browsers allow you to change the cookie setting. Most browsers accept cookies by default, but these settings can be changed by the Data Subject, so that the browser can prevent automatic acceptance and offer the choice of whether to accept cookies each time. For more information on the cookie settings of the most popular browsers, please see the links below:

Company name: WordPress - Automattic Inc.

- Address: 60 29th Street #343 San Francisco, CA 94110, USA
- Privacy information: <https://hu.wordpress.org/about/privacy/>

The Data Controller does not use any other data processor for this processing.

13. Enforcement possibilities of the Data Subject

- You can exercise your rights concerning your personal data by contacting the Data Controller using the contact details listed in point 1. The Data Controller shall, in accordance with the applicable regulations, handle any request or complaint received and inform the Data Subject of the outcome of the procedure.
- The Data Subject may lodge a complaint with the National Authority for Data Protection and Freedom of Information (address: 1125 Budapest, Szilágyi Erzsébet fasor 22/c., website: www.naih.hu).
- The Data Subject shall have the right to bring legal proceedings before the competent court in the place where the Data Controller has its registered office if its rights under applicable law have been infringed by the Data Controller.

14. Confidentiality

The Data Controller shall treat all information relating to the persons, data and business relations of its partners and customers as trade secrets.

15. Data security measures

The personal data provided to and processed by the Data Controller are stored on servers operated by the Data Processors indicated in point 13. The said servers are protected by state-of-the-art technical and operational security measures in line with the state of the art in order to prevent unauthorised use and misuse. The Controller and the Processors regularly monitor their security procedures and improve them in line with technological developments.

16. Possibility to amend the privacy notice

The Data Controller reserves the right to unilaterally modify this Privacy Policy by informing the users.
